Hinweis zur Schlauchführung

Die Geräte können mit oder ohne integrierte Belüftung oder Rückstauklappe ausgestattet sein. Die Verwendung einer Rückstauklappe und die Installation der Schlauchführung sind gemäss den Angaben der Gerätehersteller auszuführen.

Information on hose routing

The units can be provided with or without integrated ventilation or backflow flap. The use of a backflow flap and installation of the hose routing must be carried out in accordance with the unit manufacturer's instructions.

Remarque sur le tracé de tuyau

Les appareils peuvent être équipés ou non d'une ventilation ou d'un clapet anti-retour intégrés. Les indications du fabricant de l'appareil doivent être respectées dans le cadre de l'utilisation du clapet anti-retour et de l'installation du tracé de tuyau.

Avviso sulla posa dei flessibili

Gli apparecchi possono essere dotati o meno della ventilazione integrata o della valvola antiritorno. L'impiego di una valvola antiritorno e l'installazione della posa dei flessibili devono essere eseguiti in conformità alle indicazioni del produttore dell'apparecchio.
