(DE) Angaben zur Montageanleitung  
Zielgruppe dieser Montageanleitung

Die gezeigten Produkte sind nur durch zugelassene Fachhandwerksbetriebe unter Beachtung dieser Montageanleitung sowie der maßgebenden Normen, Richtlinien, Bestimmungen und Vorschriften zu installieren, einzustellen und in Betrieb zu nehmen. Daher richtet sich diese Montageanleitung an qualifizierte Sanitär-Installateure.

Pflichten im Umgang mit dieser Montageanleitung

Jede Person, die Arbeiten an dem beiliegenden Produkt vornimmt, es insbesondere montiert, reinigt oder entsorgt, muss den vollständigen Inhalt dieser Montageanleitung zur Kenntnis genommen und verstanden haben.

Bestimmungsgemäßer Gebrauch

Zum bestimmungsgemäßen Gebrauch gehört die Beachtung aller maßgebenden Normen, Richtlinien, Bestimmungen und Vorschriften sowie der Informationen in dieser Montageanleitung, insbesondere die Beachtung der Sicherheitshinweise. Jede andere Verwendung gilt als nicht bestimmungsgemäß und kann zu Sachschäden oder sogar zu Personenschäden führen. Der Hersteller schließt die Haftung für Schäden, die durch nicht bestimmungsgemäßen Gebrauch entstehen, aus.

Stand 04.2024

(EN) Details about the installation instructions  
Target group for these installation instructions

The products are intended to be installed only by licensed sanitary fitters, under the acknowledgement of these installation instructions as well as the given norms, rules, and regulations. Due to the strict guidelines and the precision work that is required when installing the products, these instructions are intended for licensed sanitary fitters.

Obligations related to these installation instructions

Anyone who installs, cleans, or disposes of the accompanying products, must have acknowledged and understood the complete installation instructions.

Proper use

Proper use includes heeding all of the norms, rules, and regulations, as well as other information included in these installation instructions, particularly the safety instructions. Any other use is regarded as improper and can result in property damage or even personal injuries. The manufacturer will not accept liability for any damage caused by improper use.

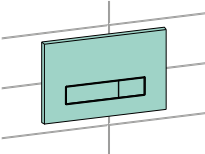

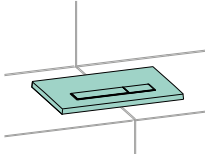

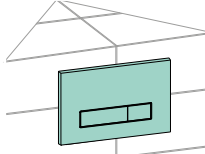

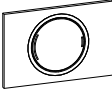

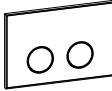

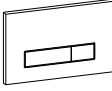

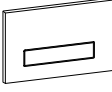

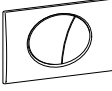

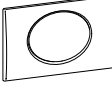

Status 04.2024
